Dragon Checkers – new iPad family game from SkyVu Pictures

Game is inspired by *All About Dragons* book app

Omaha, Nebraska (June 30, 2010) – SkyVu Pictures, developer of the best-selling Battle Bears game, today launched their new iPad game, Dragon Checkers. Inspired by the artwork of the StoryBoy book app, *All About Dragons*, the game is a themed twist on the traditional board game, complete with dragon checker pieces and dragon roars.

Game features:

- Select from eight dragon characters
- Learn interesting facts about each dragon character
- Play in one-player or two-player mode
- Undo a wrong move
- Roar like a dragon when the player feels a need

“We were inspired to create a themed checkers games because it’s such a popular family game. But we wanted to make it more fun for kids so we made it dragon-themed.” said Benjamin Vu, CEO of SkyVu Pictures and the creator of the mega-hit [Battle Bears](#) iPhone game series.

Device Requirements:

- Compatible with iPad
- Requires OS 3.2 or later
- 17.0 MB

Pricing and availability:

Dragon Checkers is USD1.99 (or equivalent amount in other currencies) and available June 30, 2010 worldwide, exclusively through the App Store, Games category, Board/Family sub-categories. Review copies are available upon request.
